

**JULI, CHRIS
& JOHN**

Thank you for taking the time to read our match letter.
We know this is a difficult decision, but the sweetest gift ever.
We want you to know that we are thinking about you
as you choose what is best for your child.
Please know God has a good plan for you and your child.

OUR STORY

We were married on New Year's Eve 2009. We could not carry our two pregnancies to birth, so our happy family is smaller than we had initially planned. We started to fulfill our dream of becoming parents through adoption in March of 2019 when our son was born. We are eager to complete our family by welcoming a baby girl into our loving home.

OUR PROMISE TO YOU

We promise to love your baby and to raise her in a Christian home.
We promise to keep her safe and ensure she knows unconditional love.
Your baby will come into a home that is already in love with her.

JULI BY CHRIS

Juli is from Michigan, and her sister (& family, including three nieces) live in AZ.

Juli's mom lives with us in her own attached in-law suite, so we have a built-in Grammy! Juli's success in both finance and fashion allows her to mentor other successful women. She loves being a Mom and appreciates every moment after waiting so many years.

CHRIS BY JULI

Chris is from New Orleans. He loves his career as a lawyer, especially helping the underdog. His hobbies are teaching John how to play piano, exercising, and watching sports. He is an amazing Dad; I know that your child will feel the same security, confidence, and love we do.

BEST FRIEND GRANDMA

Our home is bursting with excitement to welcome a baby girl. Because Grammy (Juli's mom) lives with us, she shares all parts of everyday life. John and Grammy are besties but are missing their third buddy. Three generations of love in our home helps make great memories every day.

BIG BROTHER IN TRAINING

John was born end of March 2019; He is healthy, bright, and happy. He is social and is always laughing. His kind heart makes everyone smile. John will be a caring big brother to his little sister. He wants to help feed his baby sister.

OUR PRAYER FOR YOU

We promise to love your baby and to raise her in a loving Christian home. We promise to keep her safe and ensure she knows unconditional love. Your baby will come into a patient home that is already deeply in love with her.
