**Meet Kasumy!**

***Kasumy describes herself as quiet, happy, and as someone who is open to having new adventures.***

She has ambitions to become a wedding photographer and expresses her creativity by crafting, drawing, painting. Even though she appreciates having time alone to recharge, connecting with people is important to Kasumy, and she thrives when she is with her loved ones. Kasumy says her favorite subject in school is art, and she would be thrilled if her new family could teach her Spanish. Kasumy shared that her perfect weekend would include eating at Peter Piper Pizza and going to the zoo with friends. Kasumy is genuine, a deep thinker, and has a great sense of humor.

Since she prefers a calm and peaceful environment, Kasumy's team is looking for a family that has either older or no children. She currently has visits with her sister and brothers, and the ideal family would support her sibling relationships. Kasumy would do well with supportive and straightforward parenting that is trauma-informed.

Kasumy was born in 2008.
